

Supplementary Figure S1. Top: View of the Prien Valley from Innerwald in north-northeast direction. Bottom: View on Innerwald in the Prien Valley, looking from west to east. The viewer's position is near the summit ridge between Spitzstein and Zinnenberg on the Austrian-German border. Innerwald is in the center. Mount Geigelstein, which forms the valley's border to the east, is in the background.

Supplementary Figure S2. View (at ca. 1490 m a.s.l.) looking north on Mount Zinnenberg and the ridge bordering the Prien Valley to the west. The valley lies on the right below the ridge.

Supplementary Figure S3. Course of the Prien River near Innerwald with three weeks difference. Top: The river only trickles, local water-filled puddles are present (2022/05/17). Bottom: The water level has risen significantly after rainfall (2022/06/07).
