

Specimens examined

Accession number	Collection locality	$\mu$ CT
<i>Boaedon arabicus</i>		
NHMUK BM 1946.1.21.94	Schaf Ravine, Upper Kushabi, S. W. Arabia	*
NHMUK BM 1946.1.21.96	El Kuba, Amin Country, S. W. Arabia	*
NHMUK BM 1946.1.21.95	Dthala, Aden Hinterland, Yemen	*
NHMUK BM 1946.1.21.93	El Kuba, Amin Country, S. W. Arabia	*
<i>Boaedon bedriagae</i>		
NHMUK BM 1946.1.23.14	St. Tome	*
<i>Boaedon bipraeocularis</i>		
NHMUK BM 1946.1.23.17	Lake Tanganyika, Tanzania	*
NHMUK BM 1946.1.23.18	Rabai Hills, Mombasa, Kenya	*
NHMUK BM 1946.1.23.19	Lake Tanganyika, Tanzania	*
<i>Boaedon capensis</i>		
NHMUK BM 97.11.16.11	South Africa	*
ZFMK 018626	Epping, Cape [Western Cape] Province, South Africa	*
<i>Boaedon fuliginosus</i>		
NHMUK BM 2017.1215	gutter on the north of Legon Hill, Greater Accra, Accra, Ghana	
NHMUK BM 2017.232	Annule/Christian Village, DOR Achimota-Legon, Accra, Greater Accra, Ghana	
NHMUK BM 2017.1216	gutter near Zoology Dept. and Volta Hall, Greater Accra, Accra, Ghana	
NHMUK BM 2017.1218	gutter near zoo Dept., Legon, Accra, Greater Accra, Ghana	
NHMUK BM 2017.1219	Legon, Accra, Greater Accra, Ghana	
NHMUK BM 2017.1222	Achimota Folly, Greater Accra, Accra, Ghana	
NHMUK BM 2017.1225	Kisseman Village, Accra, Greater Accra, Ghana	
NHMUK BM 2017.1764	Achimota School, Accra, Greater Accra, Ghana	
		*
<i>Boaedon geometricus</i>		

NHMUK BM 1946.1.10.36	Seychelles	*
<b><i>Boaedon 'lineatus'</i></b>		
MRAC R.28368	Dundo, Angola	
MRAC R.28369	Dundo, Angola	
MRAC R.28370	Dundo, Angola
